Sub: Evaluation of your performance for the period from April' 05 TO September' 05.

It has been our endeavour to build a mutually beneficial relationship with our suppliers. It is imperative that we continually improve our performances to be the leaders in our businesses. You are our partners in the above process, since material supplied by you is an important factor in determining the quality of product we produce. We would like to help you by providing information about your current performance with respect to quality, delivery and adherence to the agreed terms & conditions. This will help you to continually improve your performance in future.

Your rating for the period mentioned above is as follows:

| Parameter | Weightage | Evaluated % | Rating |
|-----------|-----------|-------------|----------|
| Quality | 50% | 40.9% | A |
| Delivery | 40% | 36.4% | |
| Service | 10% | 9.5% | |
| Total | | 87.7% | |

Rating Criteria: A- above 85%, B - >65 to 85%, C - 50 to 65%, D - below 50%

Previous ratings for the year - 02-03
Apr'03 - Sep'03 Oct'03- Mar'04 Apr'04 - Sept'04 October 04- March-05

1 2 3 4

Area for improvement:
Keep it up

Note: Rating consistently below "C" may lead de-registration. Kindly initiate corrective actions to improve in the areas mentioned above and revert back.

Best regards
